# PRACTICAL, FUNCTIONAL, ECONOMICAL

For more than 10 years now, we have been working in the development, design and production of medical products. Everyday at our headquarters in Luxembourg, we work together with employees with a medical background, product managers and designers on developing new products and improving existing products. Teqler products are produced in multiple locations around the world.

We follow the principle of concentrating on our own strengths and working efficiently through slim structures. Therefore, we exclusively focus on developing and producing medical products and cooperate with renowned retailers throughout Europe, North Africa and the Arabian Peninsula. With highly modern logistics in the heart of Europe, we guarantee high availability and quick delivery.

# BECOME A TEQLER DISTRIBUTION PARTNER

We would like to further expand our distributor network. This is why we are looking for additional retail partners throughout all of Europe. If you are interested in selling our products, please contact us. We are looking forward to hearing from you!

## EXCLUSIVE PARTNER FOR RETAILERS:

We do not directly sell our products, rather we exclusively market our assortment through retailers. As our business partner, you receive access to a comprehensive product selection that your end customers cannot source from us.

## GREAT PRICE-PERFORMANCE RATIO:

Teqler products are manufactured exclusively for us and shipped without a middle man. We pass this price advantage on to you—see for yourself.

## QUALITY:

We personally visit the production facilities on site to ensure that the products exactly meet our set quality standards. Furthermore, we ensure that the manufacturing process maintains fair conditions for the employees as well as the highest environmental standards.

## GROWING ASSORTMENT:

Medical consumables, high-quality single-use and reusable instruments, functional and attractive medical furniture: we continuously expand the Teqler assortment and regularly become the manufacturer of choice for more and more disciplines and customer types.

## STRONG LOGISTICS:

We maintain a sufficient stock of our entire assortment. Therefore, shipping is done quickly and without detours.

## LOCATION IN THE HEART OF EUROPE:

Our central location in Luxembourg, not far from the borders of Germany, France, Belgium and the Netherlands, allows us to send prompt shipments to all European countries.

## EXPERIENCE AND KNOWLEDGE:

We have ample experience in the development, production and sale of quality medical products. We speak your language and are well versed in the market conditions.

## COMPETENT SERVICE:

Your requests are answered promptly and competently. We personally handle each request and are able to flexibly process complex orders.

## YOUR MARKET, WE GLADLY SUPPORT YOU
